

Printronix P8000/N7000/P7000 Cartridge Consumables

The Printronix Cartridge Series of Line Matrix Printers provides a flexible design, adaptable functionality and manageable savings including the lowest cost for consumables and total cost of ownership.

- **LONGER LASTING INK** = Fewer ribbon changes yield more productivity and contribute to a lower cost of ownership.
- **LEADING EDGE RIBBON TECHNOLOGY** = Less IT interventions reduce downtime, with a patented ribbon jam prevention system. The high-density ribbon yields a longer life and a darker print quality.
- **EMBEDDED MICROCHIP** = Provides precise, integrated control over ribbon life, print quality and operating costs. Productivity is improved by preventing interruptions of long print runs.
- **CARTRIDGE RIBBON DESIGN** = With the self contained cartridge ribbon, changing ribbons is easier, cleaner and faster when compared to spool and laser printers.
- **BACKWARDS COMPATIBILITY** = Ribbon cartridges for the P8000 are backwards compatible with N7000 and P7000 printers for reduced inventory management cost and simplified ordering.
- **ENVIRONMENTAL ADVANTAGE** = Line matrix consumables are greener than serial or laser printer consumables, and are able to print on papers and forms with a higher percentage of recycled content.

UP TO 30% IMPROVEMENT IN CONSUMABLE COST PER PAGE In comparison to the previous generation line matrix spool ribbon, cartridge ribbons are a major improvement. The cartridge ribbon does more with less, yielding a longer print life and a more uniform print quality. It is easier to use, cleaner and requires no special user technical skills, reducing labor costs. And compared to laser technology, line matrix offers far better environmental advantages by producing less waste.

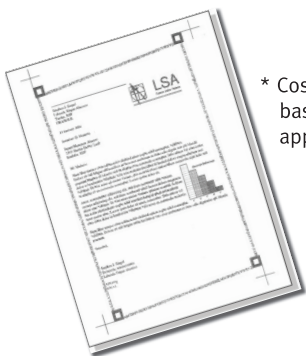

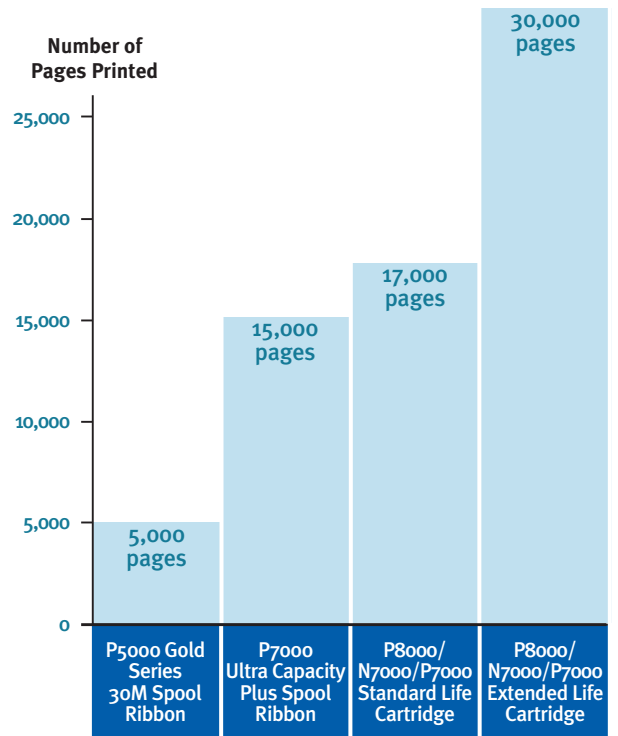

STANDARD LIFE CARTRIDGE = Lowest cost per purchase for customers with a restrictive budget. Available in a single pack. This cartridge ribbon fits all P8000, N7000 and P7000 Cartridge printer models.

EXTENDED LIFE CARTRIDGE = For customers seeking a lower operating cost per page. Available in a four pack for greatest cost savings. This cartridge ribbon fits all P8000, N7000 and P7000 Cartridge models.
